Since 1971, people have enjoyed coming to Pierce's Pitt for delicious, hickory-smoked, Tennessee-style Bar-B-Que made with "Doc" Pierce's Original Bar-B-Que Sauce.

It all started when Julius C. (Doc) Pierce set out from Flat Creek, Tennessee for Virginia with his family and their prized bar-b-que sauce recipe. Once there, he settled in Williamsburg and opened Pierce's Pitt Bar-B-Que.

The rest, as they say, is history.
